APPLY ONLINE www.GreenCountryFCU.com

You will only be notified if your request does not qualify. _____ (applicants initials)

If your payment is made by Green Country FCU auto transfer or ACH, notification will need to be made by this signed form at least five (5) days before your due date. If your payment is done through bill pay or automatically from another financial institution, you will need to adjust your payment date with them.

By signing the form above, you agree to defer your designated loan payment(s), to alter the terms of your original loan agreement and to repay the entire amount of your loan plus interest at your current interest rate. Interest will continue to accrue on the unpaid balance which may result in more interest being charged. To qualify for skip-a-pay, you must have made at least four (4) payments to your loan(s) and your loan(s) must be current; you must also have your own full-coverage insurance. You are allowed two payments/deferments per calendar year. All accounts with GCFU must be in good stand-ing. Excludes business, real estate, line of credit, overdraft and credit card loans. If you have elected GAP coverage, the coverage will not be extended beyond the original maturity date.

There is a \$50 processing fee charged to each loan you choose to defer. Skipping your payment does not affect your credit. Please note your payment can't be skipped until you have made your previous months' payment. All deferrals are subject to Green Country FCU approval. Other restrictions may apply.
